28 The Court, having conducted a detention hearing pursuant to 18 U.S.C. § 3142(f), and
29 based upon the factual findings and statement of reasons for detention hereafter set forth, finds

01 FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02 1. Defendant is reportedly a citizen of Ecuador.

03 2. The United States alleges that his presence in this country is illegal. There is
04 an immigration detainer pending against him.

05 3. Defendant and his counsel offer no opposition to entry of an order of detention.

06 4. Upon advice of counsel, defendant declined to be interviewed by Pretrial
07 Services. Therefore, there is limited information available about him.

08 5. Defendant poses a risk of nonappearance due to lack of legal status and
09 immigration detainer. Defendant poses a risk of danger due to the nature of the instant offense
10 and lack of verified background information. There does not appear to be any condition or
11 combination of conditions that will reasonably assure the defendant's appearance at future
12 Court hearings while addressing the danger to other persons or the community.

13 It is therefore ORDERED:

14 1. Defendant shall be detained pending trial and committed to the custody of the Attorney
15 General for confinement in a correction facility separate, to the extent practicable, from
16 persons awaiting or serving sentences or being held in custody pending appeal;

17 2. Defendant shall be afforded reasonable opportunity for private consultation with
18 counsel;

19 3. On order of the United States or on request of an attorney for the Government, the person
20 in charge of the corrections facility in which defendant is confined shall deliver the
21 defendant to a United States Marshal for the purpose of an appearance in connection
22 with a court proceeding; and

4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel for the defendant, to the United States Marshal, and to the United State Pretrial Services Officer.

DATED this 28th day of March, 2017.
